Attn: Kim Leaird
West Tisbury Zoning Board of Appeals
David Horwich Appeal

We would like to register our support for David Horwich's appeal of the Cease & Desist order at 126 Naushon Road. We live at 103 Naushon Road, across the road from the Horwich property.

Throughout their building project, the Horwiches have been very respectful of our neighborhood, both with respect to noise abatement and the operations of their construction equipment. At no time have they infringed in any way on our property nor are we aware of a negative impact on the wider neighborhood. Furthermore, we believe that their proposed home will enhance the overall quality of our neighborhood.

If you require any further information from us, we would be pleased to provide it.

Hello Mr. Shubert,

We are writing to you about the public hearing on June 22 at 6pm regarding 126 Naushon Road at Makonikey. We live at 86 Naushon Road but are unable to attend the hearing. For that reason, we want to express in writing our wish that the new owners be allowed to continue construction. We met the new owners last summer, they seem like friendly, decent people. We were also good friends with the prior owner (Bobby Kravitz) and suspect she would want construction to continue so that her beautiful property can be enjoyed by the new owners and all of us in the surrounding properties.

Sincerely,

Deborah Gurewich, Nina Mayer, and Akos Szilvasi
Owners of 86 Naushon Road
