WT Zoning Board of Appeals  
P.O. Box 278  
West Tisbury, MA 02575

Dear Board Members:

At our meeting of November 16, 2020, the board reviewed an application from Sourati Engineering on behalf of Paul's Point Area Realty Trust, to install a 64 square foot spa/hot tub with an automatic safety cover and surrounding deck on the property located on Assessor's Map 6, Lot 6, 271 John Cottle Road.

After a board discussion it was determined that the plan is satisfactory. However, the ZBA should consider the issue of a safety fence for security and liability purposes.

Thank you.

Sincerely,

*Virginia C. Jones*
