Subject: Re: 10 road to great neck- guest house

Dear zba members,

It has come to my attention that the property located @ 10 road to great neck is prohibited from having a guest house as part of the conditions of the approved subdivision which it was a part of.

Please disregard my previous letter stating a guest house was allowed, it was issued in error.

Feel free to contact me if you have any questions.

Sincerely,

Joseph K. Tierney
Inspector of Buildings
Town of West Tisbury
