West Tisbury, Mass. 02575

7/27/2021

To the West Tisbury board of select persons:

The West Tisbury Firemen's Civic Association would like to propose renaming the public safety building (station 2) after Chief Manuel Estrella III. Chief Estrella has served the town of West Tisbury for 47 years, 30 of those as chief of the fire department. Chief Estrella was instrumental in the design, construction of both the fire and police stations. We the members of the firemen's association feel that naming the complex after our Chief would be a fitting tribute to someone that has been as devoted and respected as Chief Estrella. Thank you for your consideration.

Respectfully submitted,
