**Subject:** re: selectmens meeting- access to counsel

Jen,

Would like to request access to counsel at the next selectmen's meeting.

See below questions:

Now that food trucks are not fast food, are they now allowed at the grange?

If food trucks are not fast food & not a restaurant, then are they retail as defined in the bylaw?

Is the energy event a "special event", so a food truck is then allowed?

Are retail sales grandfathered at the grange hall? Artisans?

Would the mv film festival be allow to sell popcorn and soda at the movie shows (retail?) ?

Could they include the refreshments with the ticket price?

Is paying for a movie ticket a retail sale?

I probably have a few more.....
