Dear members of W.T. Select Board,
My dismissal from my voluntary
position on the Howes House Board
came as a complete surprise.
The dismissal, because of a
rule that none was aware
of until recently, strikes me
as unusual.

I feel that my years of
voluntary service deserved some
form of notification - a letter,
phone call, or even email. It
would have been the polite
and professional thing to
do.

I learned of my dismissal
from this week's MV Times.

Sincerely,
Nancy Cabot
