Re: Completed Restructuring
Date: June 30, 2022

Dear Select Board,

We have completed our restructuring of department personnel with a recent promotional process for the upcoming vacancy for Sergeant created by the promotion of Matthew Gebo to Lieutenant on 8/1. I would like to recommend Bradley Cortez be promoted to the rank of Police Sergeant effective 8/1, three officers took place in the process with Officer Bradley Cortez earning my recommendation. The process involved a written test and an interview panel consisting of Chief Jonathan Searle (Oak Bluff Police), Lt. Christopher Dolby (Edgartown Police), and Town Administrator Jen Rand. I would like to publicly thank those individuals listed above for assisting with the process.

Sincerely,

Chief Matthew L. Mincone
