Subject: CPC Resignation

Hello,

Unfortunately, I recently had to move out of West Tisbury, and as I am no longer a West Tisbury resident or voter, I will no longer be able to serve on the West Tisbury CPC. Therefore, I am resigning from my position as at-large member, effective immediately. I will also not be able to attend tomorrow's Town Meeting. I apologize for the sudden and last minute notice, I was just reminded today by a notice that my voter registration has automatically changed due to my change in address. I will do my best to encourage any good potential members who I know of to consider applying to fill the position.

All my best,

Mary Sage Napolitan
