Dear Pam,

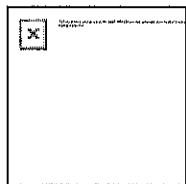

I didn't want to let the day go by without thanking you for all your help during this permitting process. Now that it is over I am looking back. It was sometimes stressful but you were so fair and so knowledgeable and so reasoned in all your observations. You made the process work. The board was excellent also and I especially appreciated your professional input throughout. This was a situation where I really felt that everyone cared and was working for the best possible outcome.

I am hopeful that this dispensary will work (keeping my fingers crossed) and that a year from now we will all be working well together. That's the ultimate goal.

Meanwhile, I think that the ZBA listened to everyone....applicant, abutters and voters...and that this was a carefully considered outcome.

With much appreciation,

Abby

Dear Personnel Board,

I am approving the rollover for Laura Hearn's unused vacation time (22.7) from this year to next year.

Thank you.

Sincerely,
