Re: Emergency Police Officer Appointment

Dear Board Members:

With the current situation I am requesting the emergency appointment (appears to be a 45 day request per personnel by-laws) of two officers to assist with staffing, primarily if we deal with virus related issues, and secondarily to continue scheduling with distancing of officers as a priority. Both officers have the necessary training to fill this mission.

The officers are:

Daniel Durawa, previous employee, who is available to assist immediately as needed. I would request the appointment as Grade 6 Step 1.

Mark Nickowall, new appointment, currently he is in the full time police academy as a self sponsor. Upon his graduation, or release from training, he could also be a valuable resource for staffing. I would request the appointment as Grade 6, Step 1.

Thank you for your consideration.

Respectfully submitted,

Matthew L. Mincone
Chief of Police
