

Jen.

I'm writing this email to ask that I be considered for appointment to the conservation commission.

I'm seeing that there is a need for participants on the board and since I am finding myself more and more concerned about the environment I am quite sure that I would be able to make a decent contribution.

I can also bring with me my ongoing experience with the MVC.

I look forward to hearing from you and the Select Board.

Thank you for your consideration.
