Re: 401 Old County Road - W Tisbury - Eversource to install FO Pole

To whom it may concern:

Enclosed is an information form that needs to be completed in order to install or acquire ownership of the equipment on the property mentioned above. **Please return the completed form and attach a copy of the current recorded Deed** to the property, this will expedite the rights process. Once you have completed the form you can **email the form to me** at Marissa.Jackson@Eversource.com or alternatively, mail via US postal mail to my attention: Marissa Jackson @ EVERSOURCE Energy 484 Willow Street, West Yarmouth, MA 02673.

Once the easement paperwork is completed it will be emailed/mailed to you to be reviewed, signed and notarized.

We ask the Easement we send to you be added to the next Town Meeting agenda for a vote and once approved at Town Meeting the original returned to me via US postal mail after signing and notarizing so that I may record it at the Registry.

Once you sign and notarize the document, please mail via US postal mail to me at: Eversource Energy, Atten: Marissa Jackson, 484 Willow Street, West Yarmouth, MA 02673 one original hard copy of the signed and notarized document for recording.

The Registry of Deeds requires original signatures, and the document must be notarized in order for the Registry to accept the document for recording.

If the property is under an LLC and the land is registered in Land Court, please supply an original with Gold Embossed Stamp "Certificate of Good Standing" that is dated back no more than 30 days.

If you have any questions regarding the easement, please do not hesitate to contact me I have included my contact information below.
