**Weiss / Marshall Tree Management Proposal**

As indicated on plan prepared for Paul I. Weiss, preserve the following surveyed and flagged trees to enhance and maintain Weiss and Marshall views of Vineyard Sound:

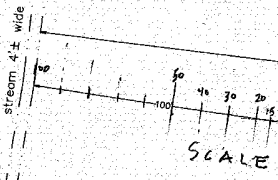

- (6) Black Locust tree (*Robinia pseudoacacia*) in buffer zone on Weiss's property.
- (1) Black Locust tree (*Robinia pseudoacacia*) in buffer zone on Marshall property.
- (2) Black Locust tree (*Robinia pseudoacacia*) in wetland on Marshall property.
- (7) Black Locust tree (*Robinia pseudoacacia*) in wetland on Hammond property.
- (2) Red Maple trees (*Acer rubrum*) in wetland on Hammond property.
- (2) Beechling trees (*Fagus sylvatica*) in wetland on Hammond property.

As indicated on plan prepared for Paul I. Weiss, press the following surveyed and flagged trees to enhance and maintain Weiss and Marshall views of Vineyard Sound:

- (7) Black Oak tree (*Quercus velutina*) in buffer zone on Hammond property.

All brush logs and debris created from permitted work will be removed from site via Marshall property with as minimal disturbance as possible.  
 Work will be supervised by Josh Scott, ISA certified arborist.
