

24 Airport Rd.
Vineyard Haven, MA
02568
(508) 696-8000

In April 1996 the West Tisbury Board of Appeals approved the application and building of the Vineyard Tennis Center. One condition of that decision was that if the owner sold the building, they needed to reappear for approval of a transfer of ownership.

Connie McHugh would like to sell the club to Airport Road Collaborative, LLC whose principal is Jeffrey DuBard. The physical plant and operation of the club will remain in place. All the staff will continue in their positions.
