Re: 560 State Rd.- Service Business Violations

Dear Luiz,

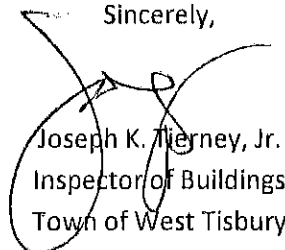

It has come to my attention that you are taking deliveries of insulation products and have placed storage container(s) on your property located at 560 State Rd.

Please be advised that Finding #9, of your Special Permit, indicates that no product deliveries would be made to 560 State Rd. In addition, Condition #2 indicates that no insulation products will be stored in the barn or outside the barn. Storage containers are not allowed in the Residential District per Table 3.1-1 of the West Tisbury Zoning Bylaws. Both of the above are violations of the conditions of your Special Permit and Section 9.3-4 of the West Tisbury Zoning Bylaws.

Per Section 10.2-1A I am required to notify you in writing of the violations and request that they be corrected by May 1, 2021.

Failure to correct the above violations within the specified time frame will result in further action. Feel free to contact me if you have any questions.

Sincerely,

Joseph K. Tierney, Jr.
