

Ms. Rand,

Nice to meet you a moment ago.

Per our conversation, please accept this email as my formal statement of interest for the Municipal Hearing Officer position in West Tisbury.

At this time, I will assume that I am attending this Wednesday's select board meeting via Zoom for next steps, unless I hear from you before then. I will await further instruction on the required training. Should the Town require anything more from me, I will be happy to oblige. Thanks and take care.

Best,

Cass Luskin
