Subject: MAHB - Additional Funding!

Importance: High

Dear Omar,

MAHB has exciting news!

MAHB has been informed that the Public Health Trust Fund will be disbursing another round of funding to continue supporting local boards of health with the COVID-19 public health outbreak emergency response.

These additional funds cover a portion of what you have already spent or anticipate spending through **June 30, 2020**. These funds can be used in the allowable areas set by the Centers for Disease Control and Prevention (CDC) as described in the signed contract you have already returned to MAHB.

Since you have already completed the 'Emergency Funds Needs Assessment' survey which provided the priorities for your distribution, those priorities have been assigned to this next award for **WEST TISBURY** as follows:

Compensation (Salaries, wages, tax and fringe)	\$400.00
Consultant/Contractor/Vendor	\$3,000.00
Supplies	\$0.00
Travel	\$0.00
Other Expenses	\$600.00
Total Award Amount	\$4,000.00

NOTE: You may transfer funds between categories with prior approval from MAHB since your needs might change as the outbreak course changes. The approval would be confirmed the same day.

The contract that you have already signed and returned to MAHB on 04/02/2020 will be amended to reflect this additional funding.
