

BEETLEBUNG TREE CARE LLC

PO Box 188

WEST TISBURY, MA 02575

Baumrin Property – 76 Christiantown Rd, West Tisbury. Assessors Parcel 12 – 33 Tree & Shrub Removal Inventory and Replanting List for Temporary Construction Road Access

Remove and cut flush to ground the following orange flagged trees and shrubs in buffer zone for temporary construction road access:

- (7) *Fagus grandifolia* – 1-2" dbh
- (3) *Acer rubrum* - 3", 7" & 8" dbh
- (4) *Carya glabra* - 2", 2", 4" & 8" dbh
- (3) *Ilex opaca* -1", 3" & 3" dbh
- (4) *Viburnum dentatum* - 6-8' tall
- (2) dead *Quercus velutina* - 19" & 24" dbh

Mow (16') swath of remaining vegetation in construction road. Onsite stakes mark middle of construction road.

Cover entire cleared construction road with filter fabric.

Lay small and large tailing rocks (2-12") over filter fabric to create temporary construction road for equipment and modular house construction access.

After construction is finished - take up tailings and filter fabric.

De-compact and revegetate area with the following planting of native trees and shrubs:

- (3) *Acer Rubrum* - #10
- (2) *Ilex opaca* #7
- (5) *Clethra alnifolia* #2
- (5) *Myrica pensylvanica* #2
- (4) *Lindera benzoin* # 2
- (3) *Viburnum dentatum* #2
- (3) *Vaccinium corymbosum* #3
