Re: Blue Heron LLC #99 Pond View Farm Rd., West Tisbury Assessor Parcel 35-1.9
VLS&E Job No. 934-10

Dear Board Members and D.E.P.,

Enclosed please find a revised site plan for a proposed season pier to accompany our Notice of Intent application recently submitted to your agency. The plan has been revised to relocate the proposed structure south on the property, enabling the pier to be shortened from 80 ft. to 50 ft. The proposed walking path has been extended 125' to the south to accommodate the new location. All other aspects of the proposal remain the same as originally submitted.

Please let me know if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Reid G. Silva'.
