Subject: ZBA Meeting Aug 12

Pam -

I wanted to reach out in regards to the ZBA agenda currently set for the meeting on August 12. We are abutters (63 Boghouse) to the Minewatu property & therefore would like to respond to the notice -

We have no issues with the proposal as submitted and I have spoken with Tom Tate directly to let him know that we support the application -

Thank you in advance for your time -

Regards,
David Fleischner
