

The background for our wanting to extend the evening is as follows...

Our daughter Nina grew up always wanting to have her wedding here at home. Like everything with Covid things have been postponed. She had originally planned to have it in the fall which would have worked perfectly for having cocktails watching the sunset before moving around to a tent in the back for dinner and dancing.

Unfortunately my sister in law Lucy Cox was diagnosed with stage four lung cancer and we all decided it would be best to move the wedding to June 2023 and not wait until that fall. With June 24 being one of the longest days of the year, it puts the most beautiful part of the evening sunset between 8:30 and 9:00. In order to have dinner and dancing and have the band stop at 10:00, we would need to be on the back side of the house in the tent hours prior.

Ideally we would like to have the ceremony at 6:30 – 7:00, cocktails from 7:30 – 8:30, dinner from 8:30-10:00, and dancing from 10:00 until 12:30. (Everyone will be provided with transportation to and from the wedding so no one will be driving) We are asking to make a one-time exception to the 10pm noise curfew.

Although our house is quite remote, I have spoken to all of my neighbors. None have a care at all about the noise. I have spoken to the Seven Gates Farm Corporation and they too have no issue with it. Many of our neighbors will be attending the wedding and those that are not have written emails stating that they have no objection. If you have any questions please don't hesitate to call us at 508-693-2694.

With much appreciation for considering our request.

Meg,

I understand you would appreciate some guidance in advance of scheduling your daughter's wedding, for the evening of June 24, 2023.

As vice -president of Seven Gates Farm Corp., I can confirm the Farm itself has no concerns with the wedding proceeding past the "normal" music curfew time, of West Tisbury.

Kind regards,

David Leibman

Dear Meg and Michael,

We are delighted that you are planning a wedding at your home in Seven Gates Farm. As one of your nearby neighbors, we have no objections to hearing the party music and guests no matter how late into the evening the party lasts. It will be a pleasure to "share" the joyful celebration even from the distance.

Best,

Dear Meg

We are happy for your celebrations to continue past the 10:00pm noise curfew. The only caveat is you are not allowed to play "Tie a Yellow Ribbon" or any Barry Manilow during the overtime.

This approval counts for the Little House, as well as the Big House.

Have a wonderful event.

Hi Will - not sure if you got my text a few weeks ago....I am hoping to get permission from the town to have Nina's wedding (June 24, 2023) run a little later than the 10:00 noise curfew. We are hoping to move the timeline back so we can watch the sunset before heading to the front side of the house to eat and dance. I spoke with the police who said the town should be fine if I have letters from the neighbors saying they haven't issue with it. I am wondering if you would be willing to send me a brief email giving your ok. Thanks so much!!! xx Meg
