

Dear Jennifer Rand,

I am writing to request a letter of support for the Massachusetts Office of Business Development's annual Regional Economic Development Organization (REDO) Grant.

The Cape Cod Economic Development Council, Inc. is partnering with the Plymouth Chamber of Commerce once again to advance positive impacts on our regional economy and support business development. The focal point of our application is workforce growth. Areas of attention include the need for access to quality early childhood education and care, reasonable and affordable diverse housing, and workforce training, especially as it applies to our growing blue economy.

A sample letter is attached. Please edit where you see fit and return it to me on your municipal letterhead by **Tuesday, December 6, 2022**.

Thank you in advance for your support and lending your time to our regional economic prosperity.
