Hi Pam,

I'm writing to notify the ZBA of a change in office hours and days of operation of my home business. I'm looking to amend my current permit to reflect this change and get approval.

My new office hours are Saturday and Sunday between 10am and 1pm and M-F 6pm-8pm. Please note that not all of those hours will be utilized - based on the number of clients I see, it is generally 6-8 sessions a week during those time frames.

Let me know if you need anything else.

Best,  
Patti
