Rebecca,

I have reviewed your proposal to prepare foods produced at North Tabor Farm in the Charter School kitchen, thru a lease with the Charter School, for sale thru North Tabor Farm.

The proposal appears to meet the requirements as a permitted Agricultural Use in the West Tisbury Zoning Bylaws Use Table, Section 3.1-1, as long as you continue to meet the requirements of Zoning Act Chapter 40a Section 3. A link to Chapter 40a Section 3 is included below.

Consider this email an approval to move forward with your proposal.
It is assumed you will obtain BOH approval prior to starting work at the Charter School.

Feel free to contact me if you have any additional questions.
