Re: 274 Indian Hill Rd.- Temporary curb cut

Chris,

Received a complaint about the temporary curb cut at your property at 274 indian hill.

In addition, I received a letter from the Planning board and it appears you have not complied with their requirements to close off the temporary curb cut.

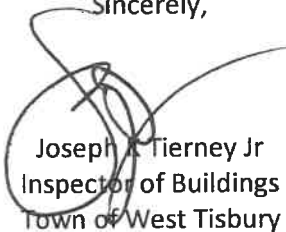

Specifically: "the cut be filled in with the placement of a minimum of four shrubs, three or more feet in height such as arborvitae or rhododendrons"

Currently there appears to be 2- shrubs, less than 3' high and do not appear similar to the plants specified in the letter.

At this time, I am ordering you to implement the requirements of the Planning Board and install the required plantings, to close off the curb cut. This work shall be completed by July 31, 2022.

Feel free to contact me if you have any questions.

Sincerely,

Joseph A. Tierney Jr
Inspector of Buildings
Town of West Tisbury
