

Town of West Tisbury  
TOWN CLERK

January 8, 2024

To the West Tisbury Select Board.

Due to the recent loss of Tony Rezendes, I need a new registrar. While Tony will be irreplaceable, I have found someone willing to be appointed to the position. Per state law I sent notice to the state republican committee (there is no town committee) but they have not sent any suggestions. I ask that you all please appoint Jonathan Klaren to the Board of Registrars.

In person early voting will be taking place this year, starting with the presidential primary. As before, I will be holding in person hours at the public safety building. I ask that you vote to approve weekday hours from 8am-11am. This will be for all 2024 state/federal elections (not town elections). Weekend hours will be determined by state law.

Thank you

Tara J. Whiting-Wells

Town Clerk
