Town of West Tisbury

West Tisbury, MA 02575

Dear Select Board Members:

As a follow-up to my communications with you last year including my letter to you and my participation in one of your September meetings regarding the excessive litter issue along the Edgartown West Tisbury Road , I would like to propose that the Board consider requesting that the Massachusetts DOT Highway Division put up a few "No Littering" signs along the Edgartown West Tisbury Road. Although Mass DOT appears to be doing a better job this year managing the litter issue, having a few signs indicating that violators will be fined for littering, in my opinion, can only help the matter. I have been advised that any requests for these types of signs can be made through Susan Welker (857 368-5216) at Mass DOT.

Please let me know if you have any questions. Thanks for your continuing attention to this matter.

Sincerely,

Guy M. Tufo
