Goodale Construction Company & Lemelin Environmental
C/o Patrick Jenkinson, Up Island Auto

Goodale construction and Lemelin Environmental,

The West Tisbury Board of Health has given its approval to move forward with the permitted project at the Up-Island Automotive with a limited crew for pouring cement and a skeleton crew thereafter. Please remember to adhere to all social distancing and State and local health requirements.

If you have any questions call Omar @ 508-696-0105

Omar Johnson,

West Tisbury Board of Health Agent
