Subject: permit

Hi Omar,

I wanted to let you know that I have decided to suspend the July shows at the grange Hall and revisit August shows at this time. So many Artisans dropped out after reading the new protocols that I didn't have enough of them to financially put on the show. My hope is that by August the protocols may change, who knows? If things do change by then I will re-do the out door floor plan and resubmit it to you.

Thank you for all your help, I know how difficult this has been to conduct business, I am chair of the ZBA in Oak Bluffs, and just having our first Zoom meeting for permits is driving the board crazy.

Good luck and thanks again.

Stay safe

Andrea
