The Board reviewed amendments to the uncollectable taxes voted for abatement at the March 26, 2019 meeting. The Collector of Taxes had submitted three bills all in the name of Robert B Grey for motor vehicle excise 2005-507027, 2006-1214, 2006-1217, reporting them uncollectable due to Mr. Grey's passing. Within the older software system payments to these bills had been posted. No abatement is needed. The adjustment to the report dated 3-12-19 will be a reduction of \$1,022.19. The true amount to be abated as uncollectable is \$2,773.65.

The Collector of Taxes has submitted additional uncollectable to be considered. The Board would like to see this project balanced and submitted as one package. The Board has tabled this request.
