

August 3, 2022 By Ways Notes,

Present: Cynthia Aguilar, Marcy Klapper, Harriet Bernstein, Katy Upson, Ivory Littlefield.
Bill Vent-Land Bank.

Harriet opened the meeting by thanking Cynthia for her report on Red Coat Hill/Shybael Weeks issues.

Harriet reported about issues coming out of site visit to Roger's Path opening up discussion on issue of utility lines running along special way .Bill Veno discussed the history of utility lines on old roads.

Discussed were suggestions of use of smaller construction vehicles, reconstruction following construction, Special Permits

It is Harriet's intention to send these suggestions in a letter to the Planning Board.

Red Coat Hill:

This discussion was led by Cynthia and Harriet. As a Special Way Committee the question of "What can we do" remains a question. Our job is to try and protect the path. A number of suggestions were again offered:
Limitations to path by vehicles, turn outs and issue of maintenance all were discussed.

With the discussion of Roger's Path and Red Coat, at issue is what recommendations for changing the regulations can the By Ways Committee to the Planning Board.

The discussion of Manter's Path was postponed until another time.

Minutes to June 9 meeting were corrected and will be posted.

Minutes of August 3, 2022 were corrected, approved and will be posted.

5:04 meeting adjourned

Respectfully Submitted, Katy Upson
