

## COMPLETE STREETS COMMITTEE MINUTES October 13, 2022, 4:00 PM

**PRESENT:** Sara Rosenthal, Oliver Osnoss, Abby Bailey

**ALSO PRESENT:** Jane Rossi, Dan Doyle

**ABSENT:** Tony Omer, Tony Higgins, Rachel Baumrin

### **DISCUSSION:**

● *Jane introduced Abby Bailey to the committee.*

● **Music Street Crosswalk:** Jane explained that she spoke with Richie Olsen about installing a painted crosswalk at the corner of Music Street and State Road. Richie suggested she contact White- Lynch who, said the standard items would be required. The committee may be able to shift some funds from one project to another but Jane said she was not sure if permission would be granted by the state.

● Jane reported she had attended a presentation from the Tisbury Planning Board regarding an update of their Master Plan and she pointed out that one of their goals is to create more shared use paths. She suggested to Amy that they hold an informal discussion with some members of the Tisbury PB to see if we can work together on some connecting Tisbury/WT SUP's.

● Jane informed the committee that electric lines are not going to be buried on Panhandle Road according to Jen Rand. Dan said some work is proposed on the road and he will double check to confirm what will take place. Oliver said he read in the Gazette that they were going to do some work. Dan had heard the same and will find out more and get back to the committee.

● Jane mentioned she had spoken with Nancy Dole and the history of the b Triangle lot at the corner of Edgartown and Old County Road. Because of its historical significance so rather than eliminating what remains, she suggested a plaque on site.

● Jane reported that the contract with Howard Stein Hudson, Engineering, has been signed for the Old County Road connector paths. The cost is approximately \$225 k so the process should begin to move forward.

● Oliver requested that the committee review the prioritization plan as a group to determine the next project to tackle. The committee explained to Abby how the prioritization plan was created.

● Dan Doyle explained that the pencil sketch the committee had selected for the bridge work design was not sufficient and he would continue to work on a final sketch that appeals to the committee.

● Dan mentioned that Andrew Lester may be a good addition to the committee and Oliver said he would reach out to him.
