

## **COMPLETE STREETS COMMITTEE MINUTES May 5, 2022, 4:00 PM**

**PRESENT:** Rachel Baumrin, Sara Rosenthal, Oliver Osnoss

**ALSO PRESENT:** Jane Rossi

**ABSENT:** Tony Omer, Tony Higgins

### **DISCUSSION:**

#### **Potential Committee Members:**

Jane mentioned that Judith Fisher had expressed interest in joining the committee. She said her interest is mainly the bridge. Rachel suggested we add a statement to the town website stating that we have ideas and ask if people wish to join us.

Jane said she has concerns about committee having great ideas but rarely acting on them. She felt it was best to stick to a project such as the bridge, and move on from there. The committee discussed funding and what has been spent. They reviewed the prioritization plan and found that the intersection of Old County and State Road was on the list. Jane said the Police Chief expressed his concerns about that location and wants to see something done about it. Jane said she felt the island and pole should be removed and the road should be squared off so that a vehicle has to stop and turn right or left rather than merging into traffic. She said the pole and the vegetation on the side of the road are an obstacle. Jane said she would check with Sean from the Historic Committee to see if they will weigh in or would be involved in the process.

#### **Road Painting:**

Jane said she would contact Richie Olsen to see if the crosswalk at the top of Music Street could be painted.

#### **Ball Field:**

Jane said she would address the subject with Richie again regarding the path to the state forest. The last time this was discussed there were a number of trees that would need to be removed. Rachel suggested Richie may not feel the need to take them down.

#### **Crosswalk at the Beach:**

Jane explained that Richie was not in favor of a crosswalk because he said it was dangerous. Rachel said it is more dangerous not to have one. She suggested we ask the Select Board.

The board determined they would meet at the State and OC Road intersection to walk State Road to find the best location for a, SUP. Jane would confirm the date and time with Dan Doyle.

Respectfully submitted,
