

COMPLETE STREETS COMMITTEE MINUTES July 11, 2019, 4:00 PM

PRESENT: Berta Geller, Rachael Baumrin, Tony Higgins, Tony Omer, Oliver Osnoss.

ALSO PRESENT: Jane Rossi.

Berta opened the meeting at 4:00 PM.

MINUTES:

The committee decided to wait until the next meeting to approve them since Jane hadn't received them yet.

GENERAL DISCUSSION:

•Report on flashing speed signs:

Jane explained that she had spoken with the town accountant who informed her that the town would pay for the signs and would get reimbursed from Mass DOT. She said they are ready to place the order.

•Survey of Lamberts Cove Beach parking lot:

Jane said that she did not have anything to report. Tony Omer said he asked Greg Marcella for a quote only, and was not in a hurry for the actual work to be done. Jane said she would ask Maria McFarland if she could recommend another surveyor. Tony O. said he would ask Brooks Billingham.

•Spending Complete Streets money:

Jane said she would find out if money remaining could be carried over to the next year.

•Path across from the West Tisbury School:

Jane explained to the committee that the Land Bank had approved the installation of a pathway that will connect the crosswalk in front of the school directly to the bike path. She said that the proposed project will have to be reviewed by Natural Heritage and the application has been filled out. Once Julie signs the application, Jane will get a check from the Planning Board to cover the fee and will mail the application. She pointed out that NH may require a plant survey.

•Site visit to Old County Road:

Berta said that when the intersection of State Road and Old County Road was constructed, they left room for a bike path. Jane was asked to confirm this with Jen Rand.

Berta said we should try to locate the boundary markers along OC Road so we will need a long measuring tape. Tony Omer said he has a hand held distance indicator but it may not work in the light. Tony said he would bring flags to mark the bounds. Rachael said she could measure with her phone. Jane was asked to
