Approved application by Town of West Tisbury to replace all wood trim with Azek or similar material, to replace any wooden storms with aluminum storms at Howes House and at Mill Pond Building. Also approved 2 Marvin Ultimate Aluminum Clad windows on front of Mill Pond building facing road.

Granite steps at Town Library were approved as presented, but are not visible from public way in any case.

Approved sign layout design for 1076 State Road and each sign can be made of composite materials, need not be wood and painted letters.

Discussed MV Garden Club request for a large sign on a pole or a smaller sign next to the side door, and we approved the smaller sign by the side door.

Reviewed a number of applications for certificates of non applicability for maintenance involving no changes in material color or design and issued all applicants certificates of non applicability.

Meeting concluded.

Respectfully submitted,

Nancy Dole, Secretary
