

WEST TISBURY HISTORIC DISTRICT COMMISSION
MEETING MINUTES

Date of Meeting:8/23/2021
Meeting at 5:30 PM

Attending: Sean Conley, Anne Fisher, Mark Mazer, Nancy Dole, Charlie Kernick
Absent: Josh Gerhard
Also Attending: Susan Wasserman, Jen Rand, Kate Warner and Angela Gompert

Meeting began at 5:30 PM.

The Vineyard Transit Authority and Town of West Tisbury have applied to install all equipment and structures associated with inground chargers for electric buses behind the Town Hall. The structures will be highly visible from Music Street and the playground. They are large, unattractive, and not in keeping with the character of the district, so they will require thoughtful and attractive fencing and plant screening to make them not visible. The HDC unanimously approved the application, with the condition that as part of this approval we will be supplied with a landscaping plan for our review and approval that will provide adequate screening for the project, given the historic nature of this property.

Respectfully submitted,

Nancy Dole, Secretary
Approved on 1/24/2022
