Virtual meeting

The Committee discussed the layout of the interior of the space.

Bathrooms were needed upstairs.

Bethany noted that it would be nice if the kitchen were larger.

There is a preference for all offices on the first floor.

Kathy asked if program space and practitioner offices could be on the second floor, Bethany said yes.

Antonia asked if it would be possible to put an addition over the solarium, the committee said it should definitely be on the table.

Bethany asked of the support beams in the basement could be moved. Antonia said yes, it just adds cost.

Meeting adjourned at 5:27
