Approved certificates of non applicability for Wasserman, Music Street; Feiner, Music Street, for maintenance projects.

Reviewed application by Westway Realty Trust to make a change to previously approved plans. A small shed that was not visible in previously approved plans would be moved to a visible location. Not clear if another hearing is necessary, but we decided to be conservative and agreed to schedule a hearing on March 23, advertise and notify abutters of the change.

Meeting concluded.

Respectfully submitted,

Nancy Dole, Secretary
