She is familiar with this town and its practices and she has been working in this capacity since last year.”

Leon asked Skip if the Select Board had considered starting Ms. Hoffman at step 4. Skip said no because step 3 is where she would be if she had continued to work with for the town. Skip can’t speak for the board so could not approve a higher starting grade without going back to the Select Board. Leon said she has another year of experience with another town.
