## “GETTING TO KNOW DOGS”

Hosted by the West Tisbury Public Library & presented by West Tisbury Animal Control

**PERFECT** for young kids who need to learn proper dog etiquette! This fun, interactive PowerPoint presentation will teach children all about dogs and their different behaviors. I'll show them how to properly meet a new dog, how NOT to meet a new dog & the do's and don'ts of interacting with dogs. I will also teach them about coming up close & personal with loose dogs, how to know a dog's physical and audible cues that they are either happy or upset and ways to get out of a bad situation. At the end we will play some games that will test what the kids learned, let the kids meet a real dog, as well as a question and answer session.

**West Tisbury  
Free Public Library**

Where: West Tisbury

Time: 3:30-4:30

“Dogs do speak, but only to those who listen.”

Teaching children the “do's & don'ts” regarding animals is among one of the most important lessons you will ever teach them.
