

How to sign up for Town of West Tisbury email alerts

1. For an email about the next test kit distribution go to the town website

www.westtisbury-ma.gov

2. Look at the left of the screen for the “Action Center”

3. Click “subscribe to e-alerts.”

A screenshot of the 'Subscribe to E-Alerts' form. It includes a header with the town logo and name, a navigation menu (Home, About, Government, Bylaws, Online), and a form area with fields for 'Your Email' and 'Confirm Email', both containing 'myemail@gmail.com'. Below these fields is a section titled 'Select one or more lists from the section below' with a checkbox for 'Urgent Alert' and a checked checkbox for 'Town Alerts'.

4. Put in your email address and click the box next to “Town Alerts.” This will sign you up for email alerts about the upcoming Covid at-home test distributions.

A screenshot of the reCAPTCHA verification step. It shows a green checkmark and the text 'I'm not a robot' next to a reCAPTCHA logo. Below this are two buttons: 'Subscribe Me' and 'Unsubscribe'.

5. Be sure to scroll to the bottom of the page to click the box to confirm you are not a robot and then click the “subscribe me” button.

A screenshot of the website showing a confirmation message. A green banner at the top reads 'You have been successfully subscribed...'. Below the banner, the 'Subscribe to E-Alerts' form is visible again.

6. The webpage will refresh automatically and you will see a green check mark and the message “You have been successfully subscribed.”

Be on the lookout for an email next week with details about the next distribution! Stay safe and thanks for helping keep our community as healthy as possible in these times.
